Greetings from the Athletic Department,

Hopefully you have had a fantastic summer and enjoyed time with friends and family. As we draw closer to a new school year, we also draw closer to the start of a new athletic possibility here at The Salvation Army Community Center. Many of you are familiar with our two newest programs, 4 year old T-ball and 4 year old Soccer. During our Fall season, we desire to offer the opportunity for your child(ren) to participate in organized Cheerleading. This would be a new venture for us and many of the specifics are still in the planning stages. However, we wanted to see if this program would be of service to you.

On the bottom of this form you will find a place to provide us with some information. If your child would be interested in participating in this program, please provide us with your general information, including:

- Your Name
- Address and Phone Number
- Age of Your Child

As all of our programs operate at The Salvation Army Community Center we would be in need of volunteers to help teach and coach those interested in cheerleading. If you would be interested in volunteering with this program, please provide us with some general information, including:

- Your Name
- Address and Phone Number
- Experience with Cheerleading

Your prompt response to these issues will allow us to know how to best serve your needs. **Please fax, drop-off, email, or mail these forms in to us by August 18th.**

Thank you for your time, and we look forward to seeing you soon.

In His Love,

Chris Straits
Athletic Director
The Salvation Army Community Center
