### **The Hurley Raynor Community Fund**

Coach Hurley Raynor has been coaching the children of our community for 24 years here at The Salvation Army. In recognition of his many years of service and dedication, The Hurley Raynor Community Fund has been established. The purpose of this fund is to provide life changing opportunities to underprivileged youth. Through this fund, we hope to give many youth the opportunity to be a part of a healthy, Christian, family environment by allowing them to participate in the programs of The Salvation Army at little or no cost to them. This fund will also help provide the means to maintain quality programs and facilities. Please consider making a donation to this fund as you register your child for this program.
