

# Compassion In **action**

KEEP THE BELL RINGING.

Serving All Of Wake County Since 1887

The Salvation Army is fortunate in having the support of the Wake County Community. Without your support we would not have the resources or the assistance to accomplish our work. Each year over **1,500 children** come through our Community Center doors because of people like you who support our cause and believe in our mission. Our Instructional Athletic Program focuses on teaching the importance of team play and good sportsmanship. With no tryouts, youth can participate year round in soccer, basketball, baseball, flag-football and tee ball.

For the 2009 season, we are offering a new way for the community to see those who support our Instructional Athletics Program and the children we serve. We would like you to sponsor our Instructional Athletics Program and let the community know that you **“KEEP THE BELL RINGING!”**

Sponsorships are as follows:

### District Sponsorship - \$400

*Sponsorship of 1 team during the 2009 season*

*Company name on front of team jersey*
